Kitchen Porter

Full and Part-time

Join us as a **kitchen assistant**, and you'll be the person who keeps the wheels turning in our busy kitchen. You'll keep it clean; you'll keep it safe; and you'll protect the space in which the chefs can create spectacular dishes at the same time as learning how to prepare food.

- **Enjoy the pace and variety of a professional kitchen**
- **Learn new skills and build a career in catering**
- **Join a friendly, dedicated and supportive team**
- **Benefit from a competitive salary**

Kitchen life is hard work, but it's also a lot of fun. The team spirit is brilliant and there's real pride in helping create something special for customers.

This is also a great way to learn about premium catering. The Old Eden is a business where kitchen assistants can go on to become chefs – and given our passion for fresh ingredients, there are few better places to learn the food business.

If you've never worked in a professional kitchen before, don't worry. For this role, personality and potential are more important than skills and experience...

- **You'll have a friendly, outgoing personality**
- **You should be eager to learn new skills**
- **You'll enjoy working in a close-knit team**
- **You must be flexible and conscientious**

Please call 07957 519 815 to discuss the role.

We would like a cover letter and CV, so please send to enquiries@theoldeden.com if you would like the opportunity to work with us.
